Expo Guide is a Mexican-based organisation that regularly publicises services to exhibitors at events, primarily in Europe.

SPATEX does not endorse or support this company or their services.

Expoguide uses a form, which resembles an organiser's free catalogue listing service, inviting exhibitors to sign and return the form for an entry in an on-line directory, which contracts the purchaser into the three-year, non-retractable agreement.

Expoguide is in no way associated to SPATEX Limited. Their form should not be confused with the SPATEX Show Guide entry or website forms for our event.

We offer all SPATEX exhibitors a FREE profile and listing on our website which is marketed and promoted heavily in the run up to the show.

Hotel Accommodation we have a list of hotels where we have negotiated preferential rates for attendees to SPATEX on our Staying There page. **We do not endorse any hotel booking companies to contact Exhibitors on our behalf.**

Please be vigilant and always read the small print before signing any document.
